James C Elliott

BSc(Hons) BArch PGDip RIBA ARB

CURRICULUM VITAE

Key Skills

James is a Director of Elliott Architecture and RIBA Chartered Architect. Prior to setting up Elliott Architecture in 2019, James spent six years working with a housebuilder/developer and ten years with a large national practice working on a range of projects across many sectors including housing, education and healthcare. James has always been extremely passionate about creating sustainable, well-designed buildings and is actively involved with the North Yorkshire Society of Architects. His strengths lie in creative, innovative and sustainable design, which is backed up with a strong knowledge of construction detailing and a thorough understanding of current building regulations.

His qualifications and experience have ensured he has a grounded approach to create high-quality designs which are economically viable. James is extremely competent in Revit and presentation packages, including Photoshop and SketchUp, as well as AutoCad Architecture.
